We would like to offer your company's users a special promotion for our IT recruiting platform.

For the next three months, your users can enjoy our Silver package for free, which includes:

- Three job postings per month
- The ability to make job posts premium to stand out to potential candidates

By taking advantage of this offer, your company's users can benefit from our platform's resources to find the best IT talent for your organization.

After three months, your users can choose to upgrade to a different package or continue with the Silver package at our regular rates.

We believe this offer will benefit both your company and our platform, and we look forward to working with you to find the best IT talent for your organization.
